## RETAILING AND CONSUMER SCIENCE

*UA Barcelona*

Spend a summer, semester, or academic year in Barcelona, Spain and take courses to satisfy your Retailing and Consumer Science major or minor requirements. The University of Arizona partners with the Institute for American Universities to offer you a variety of transferable courses to choose from with the help of your academic advisor. You'll pay your UArizona tuition and can use your financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards in the fall and spring semesters!

Collaborating with your academic advisor is the best way to choose the courses you will take abroad, but to make course selections easier for you, faculty in the Norton School of Human Ecology have pre-approved the following list of classes. RCSC majors may apply up to 12 credits and RCSC minors may apply up to 9 credits from this pre-approved list to satisfy RCSC program requirements.
