

# SPORTS NUTRITION MINOR

Study abroad in Australia and see Sports Nutrition through an international lens. At UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of courses to satisfy your degree requirements, including general education, with the approval of your academic advisor. To make choosing courses easier, faculty in the Nutritional Sciences & Wellness Department preapproved courses from UA Sydney to apply directly toward your Sports Nutrition minor. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence**!
