# UArizona Study Abroad

## SYSTEMS & INDUSTRIAL ENGINEERING

### Study Lima

Spend a Fall semester in Peru and explore engineering through an international lens by studying abroad at Study Lima: Systems & Industrial Engineering, hosted by Universidad Peruana de Ciencias (UPC). Study Lima offers Systems & Industrial Engineering (SIE) classes in English in partnership with the University of Arizona to award you with direct credit, while you live and learn in Peru’s capital city. Additionally, you may choose to take one or two UPC taught courses in English for transfer credit that may count towards your technical elective requirement. Using the following tables as a guide, work with your academic advisor to choose courses for your Fall semester at Study Lima: Systems & Industrial Engineering!

#### UARIZONA DIRECT CREDIT COURSE OPTIONS

**SIE 321:** Probabilistic Models in Operations Research

**SIE 330R:** Engineering Experiment Design

**SIE 415:** Technical Sales and Marketing

**SIE 422:** Engineering Decision Making Under Uncertainty

**SIE 465:** Supply Chain Management

#### TRANSFERABLE UPC COURSE OPTIONS

**CC 227:** Introduction to Deep Learning

**SI 710:** Information Technology Management

#### APPLICABILITY TO ENGINEERING MAJORS

SIE Department Elective, Upper Division  
**Technical Elective**

SIE Department Elective, Upper Division  
**Technical Elective**
