

VETERINARY SCIENCE

Spend a summer, semester, or academic year in Costa Rica and study Veterinary Science through an international lens. At UA Costa Rica, hosted by Veritas University, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make course selections easier for you, faculty in the School of Animal and Comparative Biomedical Science preapproved courses to satisfy many of your Veterinary Science requirements. Veterinary Science majors may apply up to **9 credits** and Veterinary Science minors may apply up to **6 credits** from this preapproved list to satisfy Veterinary Science program requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Communication Requirement: You may select no more than one course from this list. Please consult with your academic advisor for more information.
